

Texas Wings SPA Contest June 20, 2015

The Texas Wings contest had 16 registered pilots and the day began with overcast skies in the morning hiding the rising sun we would have been looking directly into. Our event began with an 8:30 pilot meeting. We were greeted with light winds and cool temperatures (by Texas standards). While the temperature stayed pleasant (92 degrees), the wind kicked up to about 20 mph after lunch. Pat and Leslie Ensign cooked up a batch of delicious tacos for lunch.

We fueled our airplanes and flying began around 9:15. We managed to get in six rounds using two flight lines with the last flight landing around 6:00 pm. We lost a couple airplanes, one due to suspected radio/battery failure and the other a dead-stick going downwind at low altitude.

L: Pat Ensign, right, flying a Curare very well, won the expert class.

R: Jonathan Efinger, right, commanded the advanced class from the get go with his Phoenix 7.

L: Bobby Zikes, right, from Temple TX, flying the Trouble Maker, won the sportsman class.

R: Tommy Scarmardo drove four hours from Houston, TX to fly with us and took 1st place in novice.

L: Frank Cox, right, won the intro class but lost a main gear on the first flight. He landed safely on 2 wheels but that ended his day of flying.

We had a great contest and good fellowship with all who attended. A special thanks to the Texas Wings members and the wives of the pilots who helped throughout the day. We could not have done this without them.

Each pilot received a gift just for flying with us. Greg Fierst, a novice pilot, won the raffle which was an Intruder ARF.

Congratulations to all the winners and thanks to all who attended. I look forward to seeing and flying with y'all in the future.

Tony Stelly, CD
