make a donation to The Golden Triangle RC Club.

The Senior Pattern Association is dedicated to the precision
radio controlled aerobatic competition as it was in the early
1970s. Aircraft designed and flown prior to 1980. However,
modern computer radios and engines are used. Engine size - 2
stroke glow engines are to be no more than .65 cid and 4 stroke
engines may be no more than .95 cid.

**PRE-NOVICE
NO ENTRY FEE ANY .60 CID OR
SMALLER PLANE ACCEPTED.
NO POINTS OR AWARDS.**

No retractable landing gear or tuned pipes are allowed.

For more information see: <https://seniorpattern.com/>

If you have gotten tired of boring holes in the sky, and
want to put more meaning into your flying enjoyment,
try SPA Pattern flying. You will find that it improves
your flying abilities and gives you something that chal-
lenges yours skills. If you can fly a loop, a roll and land
on the runway, you can fly the SPA maneuvers. Visit
seniorpattern.com and learn all about it. Come on out
on May 18th and give it a try on us, The Golden Tri-
angle RC Club. Fly Pre-Novice for FREE and enjoy the
thrill of competition.

**SPECTATORS WELCOME
FREE PARKING**
